

Please complete the boxes most applicable to you with brief information about the research you wish to share (one form per piece of research).

KEYWORDS: ASN Student survey

e.g. students, employers, skills (more than one may be appropriate)

TITLE: Survey of expectations and experiences of ASN students

PURPOSE: To monitor the expectations, and experiences of vocational students before, during and after their vocational course.

EXPECTED/ACTUAL COMPLETION DATE: Sept 2009 (but some preliminary data will be released earlier)

METHOD (please include information about the number and type of participants):

Questionnaires will be distributed to all students attending the courses that Linking London has supported with additional student numbers. Questionnaires will be distributed at the beginning of the course and at the end of each academic year. We also hope to track some of the students 6 months after completion

OUTCOMES OF RESEARCH (if complete):

Ongoing

COMPLETED RESEARCH:

How will the findings be disseminated?

Is a final report available? Yes No

If yes, where can it be found?
