

KEYWORDS: Employers, Health & Social Care

e.g. students, employers, skills (more than one may be appropriate)

TITLE: HSC Employer Survey

PURPOSE: To gather information from health & social care employers on their involvement and views on educational progression and opportunities for their employees

EXPECTED/ACTUAL COMPLETION DATE: December 2007

METHOD: Questionnaire sent via e-mail to employers in the region of Progress South Central (Berkshire, Buckinghamshire, Oxfordshire & Surrey)

OUTCOMES OF RESEARCH (if complete): An understanding of the potential access that health & social care employees have to education as well as the views on employers of the types and levels that they feel should be made available to their employees

COMPLETED RESEARCH:

How will the findings be disseminated? Findings presented at Progress South Central's Health & Social Care Networking Conference on the 11th December 2007
Is a final report available? Yes If yes, where can it be found? From Danny Wright, Development Manager, Progress South Central, d.wright@reading.ac.uk
