

Please complete the boxes most applicable to you with brief information about the research you wish to share (one form per piece of research).

KEYWORDS: HE in FE

e.g. students, employers, skills (more than one may be appropriate)

TITLE: Higher Education in West London Colleges

PURPOSE: To share good practise and encourage collaboration between WL LLN's FE partners.

EXPECTED/ACTUAL COMPLETION DATE: December 2007 (awaiting for WL LLN Board's approval)

METHOD (please include information about the number and type of participants):
Qualitative style research with recorded and transcribed interviews. 6 FE colleges with HE provision in West London were interviewed. Respondents were high level college staff actively involved in the HE planning and delivery.

OUTCOMES OF RESEARCH (if complete):

A number of recommendations for the West London HE in FE Group to take further.

COMPLETED RESEARCH:

How will the findings be disseminated? WL LLN website

Is a final report available? No (awaiting for WL LLN Board's approval)

If yes, where can it be found?
