

Please complete the boxes most applicable to you with brief information about the research you wish to share (one form per piece of research).

KEYWORDS: Stakeholders, influences on learners, decision making, employers, parents, carers, tutors,

e.g. students, employers, skills (more than one may be appropriate)

TITLE: Stakeholder analysis – Progression and participation in HE

PURPOSE: To identify stakeholders who have a vested interest in the learner's participation in HE and to evaluate the advantages and possible barriers for each stakeholder allowing a targeted, prioritised and time-bound strategy to be developed based on the development needs of all stakeholders

EXPECTED/ACTUAL COMPLETION DATE: June 08

METHOD (please include information about the number and type of participants):
Currently the research reflects a review of the literature conducted by the Business and Management lead team of Progress2succeed. In the future stage, other partners in the Business and Management group are to be involved to share their experiences. Initial research will be circulated to c30 members of the curriculum group for comments and additions.

OUTCOMES OF RESEARCH (if complete):n/a

COMPLETED RESEARCH: n/a

How will the findings be disseminated? Electronically to interested parties

Is a final report available? Yes No

If yes, where can it be found?
