

LLN Research Database by sussexlearningnetwork

ID: 11498300000018015

Title: Music production: Progression from Level 3

Keywords: arts & new media; music; progression; vocational; learner expectation; ethnicity; gender; socio-economic

Organisation: Sussex Learning Network

Purpose: The research will inform the development of HE vocational music courses.

Method: * An analysis of trends in learner progression from Level 3 music courses into vocational HE in students from differing socio-economic, ethnic and gender backgrounds, including an analysis of the effects of locality and age group on HE progression in music

* An examination of learners' expectations and aspirations regarding HE participation and vocational HE music courses

* An understanding of the vocational aspirations of learners joining Level 4 courses

* An analysis of the range of approach of teaching skills and curriculum design of FE and HE vocational music courses

Outcomes of research:

Is a final report available?: No

How will the findings be disseminated?: Through the SLN website and the LLN National Forum

Where can it be found?:
