1 Introduction, Methodology and Structure

Manchester Enterprises (ME) was commissioned by the Greater Manchester Strategic Alliance (GMSA) in March 2007 to undertake an analysis of 2005/06 Learning and Skills Council (LSC) provision of Level 3 and above qualifications within Greater Manchester. This report is one of seven, each of which look at provision in one of the following LSC sector subject areas:

- Arts, media and publishing
- Agriculture, horticulture and the animal care
- Construction, planning and the built environment
- Information and Communication technology
- Retail and Commercial enterprise
- Health, public services and care
- Business, administration and the law

This report focuses on provision in the Arts, media and publishing sector subject area.

ME used Level 3+ supply data for qualifications delivered by Greater Manchester institutions obtained from the LSC's 2005/6 Individualised Learner Record. This data provides a detailed picture of LSC Level 3+ supply, allowing analysis by:

- course title;
- level of qualification;
- mode of delivery (e.g. full-time, part-time); and
- institution/provider.

It should be noted that there will be some cases of double counting within the data caused by learners undertaking more than one course (for example, when a student takes two or more AS Levels) although, due to the complexities of the qualifications framework, it is not possible to easily quantify the impact of this on individual skills outcomes. Further, the data excludes non-LSC funded Level 3+ data (such as that delivered via Greater Manchester's Higher Education Institutions). Therefore the report provides results which should be interpreted as being broadly indicative of current supply but not a precise measure of future skills outcomes.

The remainder of the report is structured as follows:

- **Types of qualifications offered in Arts, media and publishing.** This section examines which institutions had provision in Arts, media and publishing in 2005/6, what type of

provision this was (e.g. National Certificate, National Diploma, 'A' Level), and whether the mode of delivery was full-time or part-time

- **Geographical distribution of Arts, media and publishing provision.** This section examines the provision in terms of the number of learners, level of qualification, and institutional and geographical 'hotspots'.
- **Level 3 Qualifications offered in Arts, media and publishing.** This section analyses the Level 3 supply data in some detail, looking specifically at the major qualifications/courses offered in terms of the location and the mode of delivery.
- **Level 4+ Qualifications offered in Arts, media and publishing.** This final section analyses the Level 4+ supply data in some detail, looking specifically at the major qualifications/courses offered in terms of the location and the mode of delivery.

2 Results

2.1 Types of qualifications offered in Arts, media and publishing

Figure 1 (overleaf) shows that 28 institutions in Greater Manchester offer courses at Level 3 and above in Arts, media and publishing. The table shows provision broken down by the number in full-time and part-time learning (if no figures are shown then the institution had no provision for that qualification in 2005/06). Numbers shown in Figure 1 will not sum to those shown in Figure 2, as Figure 1 excludes records that do not constitute a full qualification (such as NVQ/GNVQ units) and records that cannot be assigned to a specific qualification outcome (such as unspecified approved external qualification).¹ Numbers in Figure 1 are intended for information only as they involve a certain amount of subjective judgement. Therefore, when quoting figures, wherever possible please use numbers from Figure 2 which are taken directly from the LSC's ILR.

In terms of types of qualification offered, MANCAT has the greatest variety of provision with courses leading to 12 different qualifications (including BA (Hons) and Foundation Degrees), followed by City College Manchester which offers eight different qualifications.

The most widely offered qualification was an 'A' Level (either AS or A2) which was offered by 21 providers to a total of 10,183 full-time and 194 part-time students. The next most widely offered qualifications were the Diploma (Level 3) (offered by 15 providers to 520 full-time and 43 part-time students) and the National Diploma (offered by 14 providers to 2723 full-time and 8 part-time students).

¹

For example, records that have been excluded from this section include:

- *Unitisation (approved external qualification) Level 3, Arts, Media and Publishing (SSA 9), PW B; and*
- *Additional 1 NVQ/GNVQ unit, Level 3, PW C, Arts, Media and Publishing (SSA 9)*

Definitions of the qualifications offered are as follows:

Access Course:

The main aim of Access programmes is to prepare adult learners from non-traditional backgrounds and under-represented groups for admission to undergraduate education. Most access courses last between six months and a year.

Award:

A vocational qualification equivalent to NVQ level 3.

City & Guilds:

City and Guilds is a nationally recognised vocational qualification which provides the background knowledge and skills in a specific work related area. City and Guilds courses are arranged as a series of modules which can be credited individually or combined with other modules to form certificates or diplomas.

Advanced VCE:

Advanced Vocational Certificates of Education (Advanced VCEs) are qualifications which have the same value as GCEs (A-levels) but have a work-related emphasis and can also be taken as a double award. They have replaced Advanced GNVQs (General National Vocational Qualifications) that were offered from 1992-1999.

National Award:

A practical, work-related course, this is the lower level BTEC or equivalent qualification. Learning is conducted through completion of projects and assignments that are based on realistic workplace situations, activities and demands. It is equivalent to one 'A' level.

National Certificate:

A practical, work-related course, this is the mid level BTEC or equivalent qualification. Learning is conducted through completion of projects and assignments that are based on realistic workplace situations, activities and demands. It is equivalent to two 'A' levels.

National Diploma:

A practical, work-related course, this is the higher-level BTEC or equivalent. Learning is conducted through completion of projects and assignments that are based on realistic workplace situations, activities and demands. It is equivalent to three 'A' levels.

NVQ Level 3:

National Vocational Qualifications (NVQs) are work-related qualifications designed for progression to work in specific industries. There are five levels, ranging from Foundation Skills

(Level 1) to Chartered, Professional and Senior Management Occupations (Level 5). The first three levels can be studied at 16, but the other two require more experience. NVQ Level 3 is equivalent to two 'A' level.

'A' Level:

Advanced Subsidiary/Advanced Level (AS Level/'A' Level) certificates are offered in a wide variety of subjects, some of which are more vocational in nature. A full 'A' level is made up of six units: three AS units in the first year and a further three units called A2 in the second year. Most students take three or four AS subjects in the first year and carry three on as A2 subjects in the second year to gain full 'A' levels.

Certificate (Level 3):

A vocational qualification equivalent to NVQ level 3.

Diploma (Level 3)

A vocational qualification equivalent to NVQ level 3.

Diploma (Level 4+)

A vocational qualification equivalent to NVQ level 4 and above.

HNC:

Higher National Certificates (HNCs) normally take two years to complete and are the equivalent to the first year of a bachelor's degree. They are offered in many subject areas and are normally vocationally related.

HND:

Higher National Diplomas (HNDs) take two years to complete and are equivalent to the first two years of a bachelor degree. HND courses are more vocational than degree courses and often contain more practical work than theory. The entry requirements are different to degrees, normally requiring one A level or its equivalent.

BA (Hons):

A BA (Hons) is a primarily academic course, typically three years in length, on subjects in the arts and humanities. Although primarily academic there is a variable but often minimal vocational element, depending on the subject studied.

Foundation Degree:

The foundation degree is a new vocational qualification geared to providing students with higher level skills suited to the needs of employers, and its roots lie in the BTEC higher

national. Often it combines the level of academic achievement in a normal degree with specific business, specialist and technical skills needed in the workplace. In some cases, it provides the opportunity for adults with work experience, knowledge and skills to progress to higher education with no formal qualifications.

2.2 Geographical distribution of Arts, media and publishing

Figure 2 (below) shows learner numbers by institution, the level of qualification undertaken and the mode of study.

- There were a total number of 16,074 courses delivered at Level 3 and above in Greater Manchester in 2005/6 of which almost all (99.9% or 16,053) were at Level 3.
- The largest providers in terms of number of learners were Winstanley College (1312), followed by Cheadle and Marple Sixth Form College (1258) and Aquinas College (1101). 16 other colleges had provision of over 400 students in this sector subject area.
- The mode of provision was predominantly full-time (94% or 15,179 courses were delivered as full-time).

Figure 2: Arts, media and publishing learner numbers by institution and level of qualification, 2005-2006

The two maps overleaf show the geographical spread of provision at Level 3 and above, as described in the total column of Figure 2. As there were only 21 courses delivered at Level 4 and above in 2005/6, this provision has not been mapped separately.

- Map 1 shows that the distribution of full-time provision is fairly evenly spread across the sub-region. There are particular concentrations in the conurbation core as well as Stockport;
- Map 2 shows that, for part-time provision, there is a particular concentration in the conurbation core. That said, small amounts of provision are spread around the sub-region.

Map 2 Geographical distribution of part-time LSC provision in Arts, media and publishing by location of institution

2.3 Level 3 Qualifications offered in Arts, media and publishing

Figure 3 provides a breakdown of the mode of study for Level 3 qualifications in Arts, media and publishing delivered in Greater Manchester in 2005/6. By far the most common mode of delivery was full-time for a full year which accounted for 94% of all provision (15,073 learners).

Figure 3 Level 3 Arts, media and publishing provision by mode of study (number of courses shown in brackets)

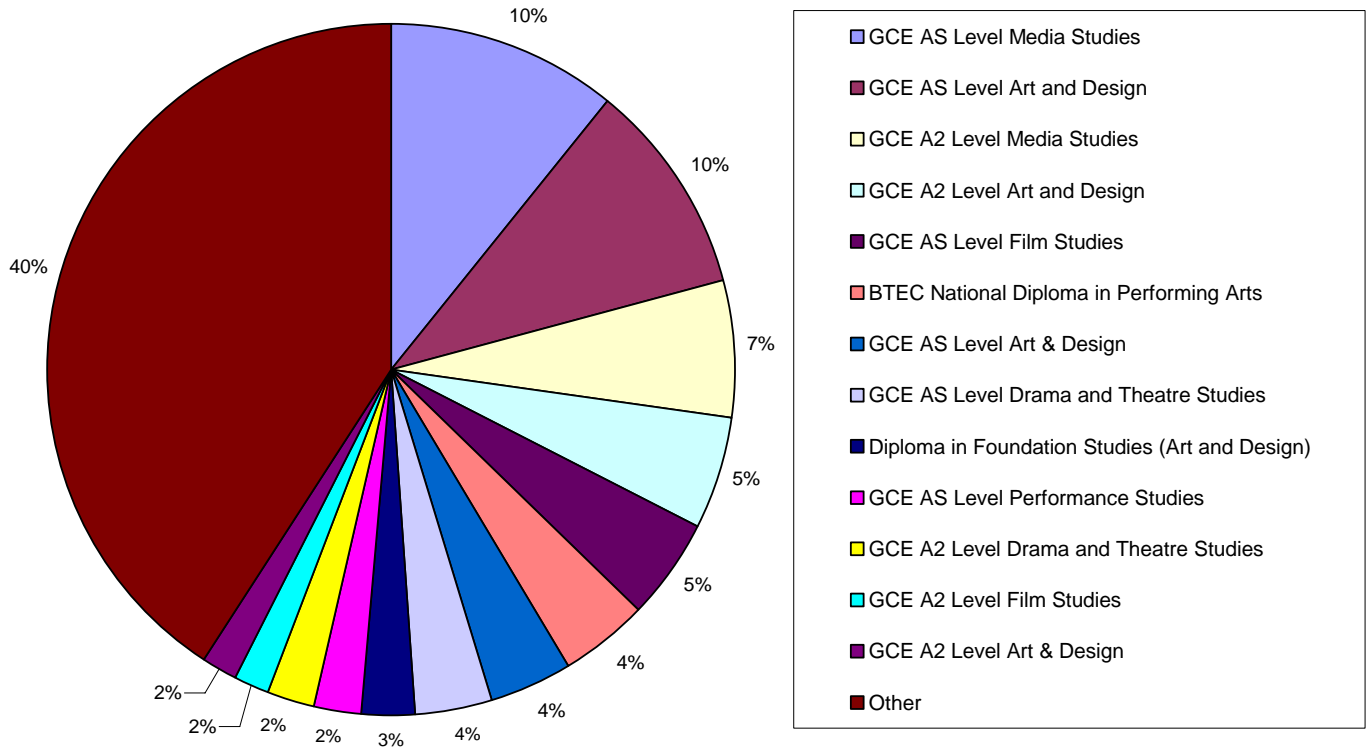

A total of 118 different courses and qualifications were offered in Arts, media and publishing in 2005/6 at Level 3 (see Annex 3 for a full list). Figure 4 shows the qualifications with the largest provision at Level 3 in Greater Manchester. The five largest were:

- GCE AS Level Media Studies (1721 learners)
- GCE AS Level Art and Design (1603 learners)
- GCE A2 Level Media Studies (1054 learners)
- GCE A2 Level Art and Design (828 learners)
- GCE AS Level Film Studies (757 learners)

In addition, two-fifths of delivery at Level 3 in this sector subject area (40% or 6,539 learners) was spread amongst 105 courses with fewer than 275 participants across Greater Manchester (shown as 'other' in Figure 4).

Figure 4 Key Level 3 qualifications as a proportion of total Arts, media and publishing Level 3 provision

GCE AS Level Media Studies was the course with the highest level of provision in Arts, media and publishing at Level 3. Analysis of figures in Annex 2 shows that:

- It was delivered across 20 institutions:
- There were concentrations of delivery at Xaverian College (11% or 190 learners), Aquinas College (10% or 177 learners), Winstanley College (9% or 157 learners), and Cheadle and Marple Sixth Form College (9% or 156 learners).
- This course was almost universally delivered as other full-time for a full year (99.6% or 1714 learners).

GCE AS Level Art and Design has the next highest level of delivery at Level 3 in this sector subject area. Analysis of figures in Annex 2 shows that:

- It was delivered by 17 institutions
- Three providers had over 200 students on this course: Winstanley College (252), Oldham Sixth Form College (251), and St John Rigby College (213). These three colleges accounted for 45% of all provision.
- The largest providers were: Bury College (20% or 167 learners), The Oldham College (13% or 106 learners) and Wigan and Leigh College (10% or 86 learners)
- Again this was predominantly delivered as full-time for a full year (95% or 1517 learners). 54 learners (3%) studied this as other part-time (including e-learning).

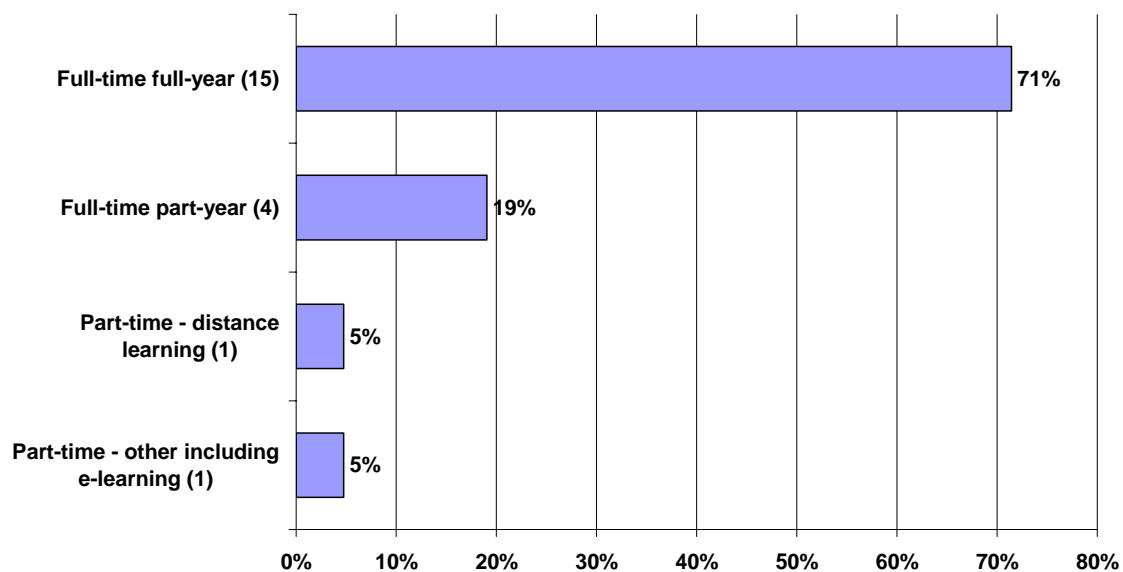

GCE A2 Level Media Studies had the third highest level of delivery at Level 3 in this sector subject area. Annex 2 shows that:

- It was delivered in 19 institutions
- There were concentrations of delivery at Winstanley College (11% or 116 learners), Aquinas College (10% or 102 learners) and Xaverian College (9% or 100 learners)
- It was almost exclusively delivered as full-time for a full year – 99% (1044) of courses were delivered this way.

2.4 Level 4+ Qualifications offered in Arts, media and publishing

Figure 5 provides a breakdown of the mode of study for Level 4 and above qualifications in Arts, media and publishing delivered in Greater Manchester in 2005/6. The most common mode of delivery was full-time for a full year (71% or 15) followed by full-time for part of a year (19% or 4).

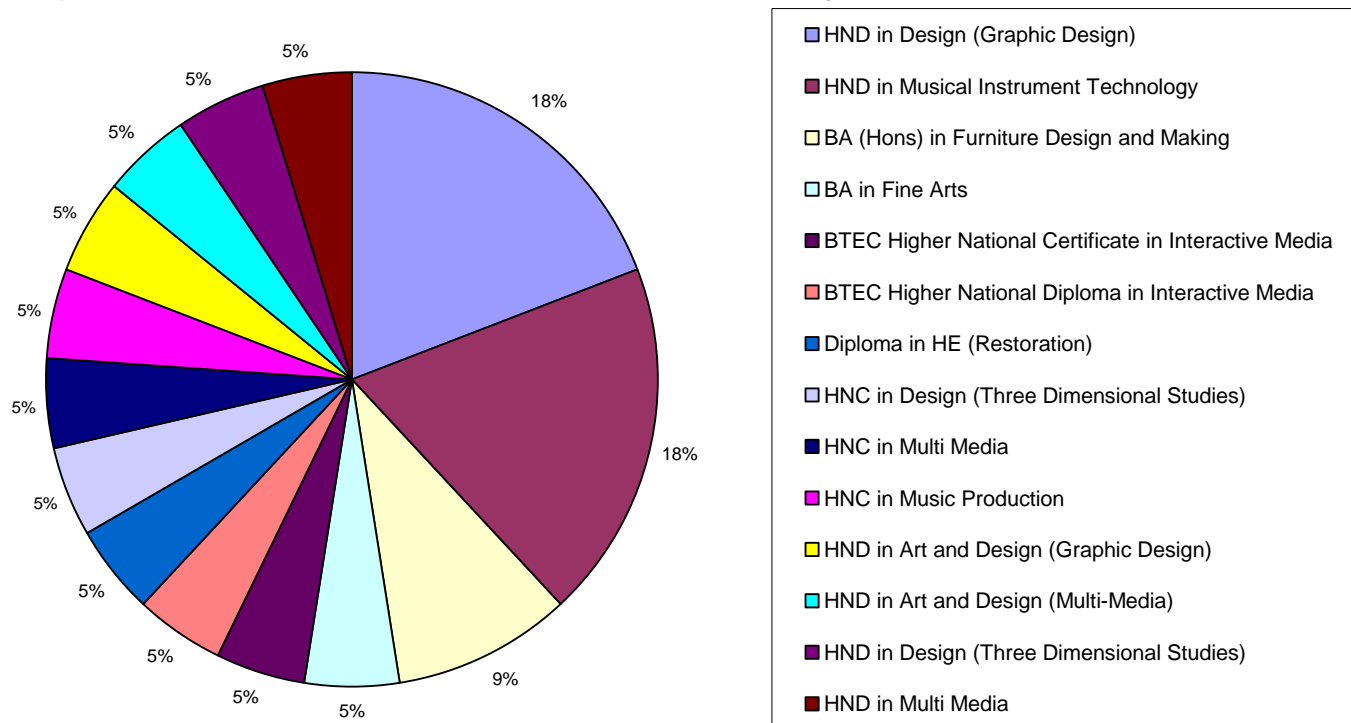

Figure 5 Level 4 Arts, media and publishing provision by mode of study (number of courses shown in brackets)

A total of 14 different courses and qualifications were offered in Arts, media and publishing in 2005/6 at Level 4+ (see Annex 3 for a full list). Figure 6 shows the courses at Level 4 and above in Greater Manchester. Those with the most provision were:

- HND in Design (Graphic Design) (4 learners)
- HND in Musical Instrument Technology (4 learners)
- BA (Hons) in Furniture Design and Making (2 learners)

Figure 6 Key Level 4 qualifications as a proportion of total Arts, media and publishing Level 4 provision

HND in Design (Graphic Design) was the course with the most provision in this sector subject area. Analysis of Annex 2 shows that:

- It was delivered by three institutions: Stockport College (2 learners), Hopwood Hall College (1 learner) and Wigan And Leigh College (1 learner)
- The mode of delivery was split between full-time for a full year (3 learners) and other part-time (including e-learning) (1 learner).

HND in Musical Instrument Technology was:

- Solely delivered by MANCAT
- 3 learners studied this course full-time for a full year; 1 learner studied it full time for part of a year

BA (Hons) in Furniture Design and Making was:

- Solely delivered by MANCAT on a full-time basis.
