1 Introduction, Methodology and Structure

Manchester Enterprises (ME) was commissioned by the Greater Manchester Strategic Alliance (GMSA) in March 2007 to undertake an analysis of 2005/06 Learning and Skills Council (LSC) provision of Level 3 and above qualifications within Greater Manchester. This report is one of seven, each of which look at provision in one of the following LSC sector subject areas:

- Health, public services and care
- Agriculture, horticulture and the animal care
- Construction, planning and the built environment
- Information and communication technology
- Retail and commercial enterprise
- Arts, Media and Publishing
- Business, administration and the law

This report focuses on provision in the Business, administration and the law sector subject area.

ME used Level 3+ supply data for qualifications delivered by Greater Manchester institutions obtained from the LSC's 2005/6 Individualised Learner Record. This data provides a detailed picture of LSC Level 3+ supply, allowing analysis by:

- course title;
- level of qualification;
- mode of delivery (e.g. full-time, part-time); and
- institution/provider.

It should be noted that there will be some cases of double counting within the data caused by learners undertaking more than one course (for example, when a student takes two or more AS Levels) although, due to the complexities of the qualifications framework, it is not possible to easily quantify the impact of this on individual skills outcomes. Further, the data excludes non-LSC funded Level 3+ data (such as that delivered via Greater Manchester's Higher Education Institutions). Therefore the report provides results which should be interpreted as being broadly indicative of current supply but not a precise measure of future skills outcomes.

The remainder of the report is structured as follows:

- **Types of qualifications offered in Business, administration and the law.** This section examines which institutions had provision in Business, administration and the law in 2005/6, what type of provision this was (e.g. National Certificate, National Diploma, 'A' Level), and whether the mode of delivery was full-time or part-time
- **Geographical distribution of Business, administration and the law provision.** This section examines the provision in terms of the number of learners, level of qualification, and institutional and geographical 'hotspots'.
- **Level 3 Qualifications offered in Business, administration and the law.** This section analyses the Level 3 supply data in some detail, looking specifically at the major qualifications/courses offered in terms of the location and the mode of delivery.
- **Level 4+ Qualifications offered in Business, administration and the law.** This final section analyses the Level 4+ supply data in some detail, looking specifically at the major qualifications/courses offered in terms of the location and the mode of delivery.

2.1 Types of qualifications offered in Business, administration and the law

Figure 1 (overleaf) shows that 29 institutions in Greater Manchester offer courses at Level 3 and above in Business, administration and the law. The table shows provision broken down by the number in full-time and part-time learning (if no figures are shown then the institution had no provision for that qualification in 2005/06). Numbers shown in Figure 1 will not sum to those shown in Figure 2, as Figure 1 excludes records that do not constitute a full qualification (such as NVQ/GNVQ units) and records that cannot be assigned to a specific qualification outcome (such as unspecified approved external qualification).¹ Numbers in Figure 1 are intended for information only as they involve a certain amount of subjective judgement. Therefore, when quoting figures, wherever possible please use numbers from Figure 2 which are taken directly from the LSC's ILR.

In terms of types of qualification offered, Stockport College has the greatest variety of provision with courses leading to 12 different qualifications, followed by MANCAT which offers 11 different qualifications. The most widely offered qualification was an 'A' Level (either AS or A2 Level), this qualification was delivered by 20 providers to a total of 7,285 full-time and 139 part-time students. The next most widely offered qualification was a Level 3 Certificate (delivered by 17 providers to 263 full-time and 555 part-time students) and a National Certificate (delivered by 16 providers to 428 full-time and 34 part-time students).

¹

For example, records that have been excluded from this section include:

- Non-externally certificated FE other provision, Level 3, Business, Administration and Law (SSA 15), PW A; and
- Unitisation (approved external qualification) Level 3, Business, Administration and Law (SSA 15), PW A

Definitions of the qualifications offered are as follows:

Award:

A vocational qualification equivalent to NVQ level 3.

Advanced VCE:

Advanced Vocational Certificates of Education (Advanced VCEs) are qualifications which have the same value as GCEs (A-levels) but have a work-related emphasis and can also be taken as a double award.. They have replaced Advanced GNVQs (General National Vocational Qualifications) that were offered from 1992-1999.

National Award:

A practical, work-related course, this is the lower level BTEC or equivalent qualification. Learning is conducted through completion of projects and assignments that are based on realistic workplace situations, activities and demands. It is equivalent to one 'A' level.

National Certificate:

A practical, work-related course, this is the mid level BTEC or equivalent qualification. Learning is conducted through completion of projects and assignments that are based on realistic workplace situations, activities and demands. It is equivalent to two 'A' levels.

National Diploma:

A practical, work-related course, this is the higher-level BTEC or equivalent. Learning is conducted through completion of projects and assignments that are based on realistic workplace situations, activities and demands. It is equivalent to three 'A' levels.

NVQ Level 3:

National Vocational Qualifications (NVQs) are work-related qualifications designed for progression to work in specific industries. There are five levels, ranging from Foundation Skills (Level 1) to Chartered, Professional and Senior Management Occupations (Level 5). The first three levels can be studied at 16, but the other two require more experience. NVQ Level 3 is equivalent to two 'A' levels.

NVQ Level 4+:

National Vocational Qualifications (NVQs) are work-related qualifications designed for progression to work in specific industries. There are five levels, ranging from Foundation Skills (Level 1) to Chartered, Professional and Senior Management Occupations (Level 5). The first three levels can be studied at 16, but the other two require more experience.

'A' Level:

Advanced Subsidiary/Advanced Level (AS Level/'A' Level) certificates are offered in a wide variety of subjects, some of which are more vocational in nature. A full 'A' level is made up of six units: three AS units in the first year and a further three units called A2 in the second year. Most students take three or four AS subjects in the first year and carry three on as A2 subjects in the second year to gain full 'A' levels.

Certificate (Level 3):

A vocational qualification equivalent to NVQ level 3.

Certificate (Level 4+):

A vocational qualification equivalent to NVQ level 4 and above.

Diploma (Level 3):

A vocational qualification equivalent to NVQ level 3.

Diploma (Level 4+):

A vocational qualification equivalent to NVQ level 4 and above.

Professional Diploma:

A high-level vocational qualification designed for those already working within the subject field and who want to progress to a higher managerial role.

HNC:

Higher National Certificates (HNCs) normally take two years to complete and are the equivalent to the first year of a bachelor's degree. They are offered in many subject areas and are normally vocationally related.

HND:

Higher National Diplomas (HNDs) take two years to complete and are equivalent to the first two years of a bachelor degree. HND courses are more vocational than degree courses and often contain more practical work than theory. The entry requirements are different to degrees, normally requiring one A level or its equivalent.

BA (Hons):

A BA (Hons) is a primarily academic course, typically three years in length, on subjects in the arts and humanities. Although primarily academic, there is a variable but often minimal vocational element, depending on the subject studied.

Graduateship

Graduateship is a programme undertaken to gain membership of the Chartered Institute of Personnel and Development. It is equivalent to NVQ Level 4.

2.2 Geographical distribution of Business, administration and the law

Figure 2 (below) shows learner numbers by institution, the level of qualification undertaken and the mode of study.

- There were a total number of 14,494 courses delivered at Level 3 and above in Greater Manchester in 2005/6 of which four-fifths (81% or 11,697) were at Level 3.
- The largest providers in terms of number of learners was MANCAT (3005), followed by Bur College (974) and Aquinas College (836). 14 other colleges had provision of over 400 students in this sector subject area.
- There was more full-time provision than part-time (8,938 full-time courses were delivered at Level 3 and above compared to 5,556 part-time courses).
- However, at Level 4, 5 or higher, almost all provision (98% or 2,742) was delivered as part-time.

The four maps overleaf show the geographical spread of provision as described in Figure 2.

- Map 1 shows that the distribution of full-time Level 3 provision is fairly evenly spread across the sub-region;
- Map 2 shows that, for part-time Level 3 provision, there is a particular concentration at MANCAT – although there are smaller amounts of provision spread across the sub-region; and
- Maps 3 and 4 highlight MANCAT's dominance of Level 4 and above provision in the conurbation.

Figure 3 Level 3 Business, administration and the law provision by mode of study (number of courses shown in brackets)

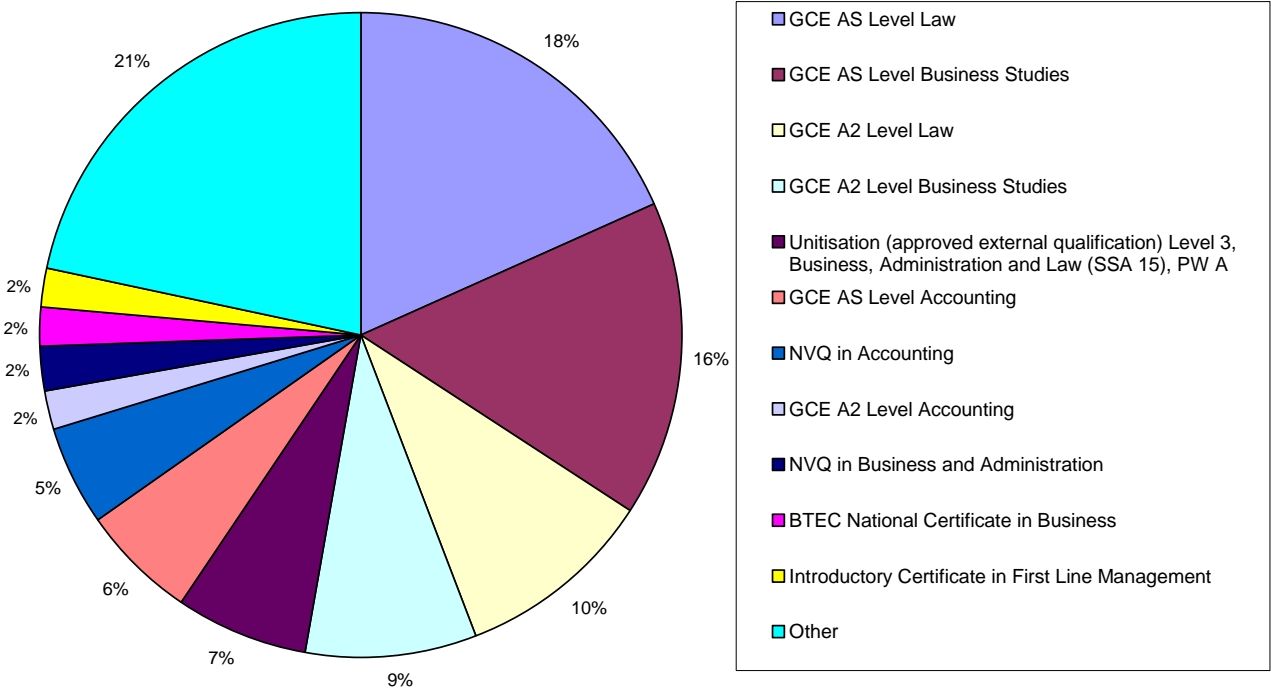

A total of 73 different courses and qualifications were offered in Business, administration and the law in 2005/6 at Level 3 (see Annex 3 for a full list). Figure 4 shows the qualifications with the largest provision at Level 3 in Greater Manchester. These were:
