1 Introduction, Methodology and Structure

Manchester Enterprises (ME) was commissioned by the Greater Manchester Strategic Alliance (GMSA) in February 2008 to undertake an analysis of 2006/07 Learning and Skills Council (LSC) provision of Level 3 and above qualifications within Greater Manchester. This report is one of seven, each of which look at provision in one of the following LSC sector subject areas:

- Health, Public Services and Care
- Agriculture, Horticulture and Animal Care
- Construction, Planning and the Built Environment
- Information and Communication Technology
- Retail and Commercial Enterprise
- Arts, Media and Publishing
- Business, Administration and Law

This report focuses on provision in the Business, Administration and Law sector subject area. ME used Level 3+ supply data for qualifications delivered by Greater Manchester institutions obtained from the LSC's 2006/07 Individualised Learner Record. This data provides a detailed picture of LSC Level 3+ supply, allowing analysis by:

- course title;
- level of qualification;
- mode of delivery (e.g. full-time, part-time); and
- institution/provider.

It should be noted that there will be some cases of double counting within the data caused by learners undertaking more than one course (for example, when a student takes two or more AS Levels) although, due to the complexities of the qualifications framework, it is not possible to easily quantify the impact of this on individual skills outcomes. Further, the data excludes non-LSC funded Level 3+ qualifications (such as those delivered via Greater Manchester's Higher Education Institutions). Therefore the report provides results which should be interpreted as being broadly indicative of current supply but not a precise measure of future skills outcomes. Notably, not all returns for Greater Manchester are recorded. National training providers with head offices elsewhere in the country may provide returns data to their local LSC, rather than to the local LSC where the qualifications were taken.

In addition, work-based learning (WBL) data is provided, yet as data was not available for last year, these figures cannot be compared. WBL data is presented separate to FE data to allow FE data comparisons. All WBL courses are classed as part-time, and so adding this data to the FE data would significantly skew the proportion of courses taken being part-time. There are significantly fewer WBL course enrolments funded by the LSC than FE courses, and so a shorter analysis of WBL courses is presented.

The remainder of the report is structured as follows:

- **Types of qualifications offered in Business, Administration and Law.** This section examines which institutions had provision in Business, Administration and Law in 2006/07, what type of provision this was (e.g. National Certificate, National Diploma, 'A' Level), and whether the mode of delivery was full-time or part-time.
- **Geographical distribution of Business, Administration and Law provision.** This section examines the provision in terms of the number of learners, level of qualification, and institutional and geographical 'hotspots'.
- **Analysis of the change between qualification enrolments from 2005/06 and 2006/07.** This section examines the changes in further education (FE) enrolments between the two years in level of qualification, institutional provision and mode of delivery (e.g. full-time and part-time).
- **Level 3 Qualifications offered in Business, Administration and Law.** This section analyses the Level 3 supply data in some detail, looking specifically at the major qualifications/courses offered in terms of the location and the mode of delivery.
- **Level 4+ Qualifications offered in Business, Administration and Law.** This final section analyses the Level 4+ supply data in some detail, looking specifically at the major qualifications/courses offered in terms of the location and the mode of delivery.
- **Level 3 and above WBL Qualifications offered in Business, Administration and Law.** This section analyses the Level 3 and above WBL supply data in some detail, looking specifically at the major qualifications/courses offered in terms of the location and the mode of delivery.

2.1 Types of FE qualifications offered in Business, Administration and Law

Figure 1 (overleaf) shows that 25 institutions in Greater Manchester offer courses at Level 3 and above in Business, Administration and Law. The table shows provision broken down by the number in full-time and part-time learning (if no figures are shown then the institution had no provision for that qualification in 2006/07). Numbers shown in Figure 1 will not sum to those shown in Figure 3, as Figure 1 excludes records that do not constitute a full qualification (such as NVQ/GNVQ units) and records that cannot be assigned to a specific qualification outcome (such as unspecified approved external qualification).¹

Numbers in Figure 1 are intended for information only as they involve a certain amount of subjective judgement. Therefore, when quoting figures, wherever possible please use numbers from Figure 3 which are taken directly from the LSC's ILR.

In terms of types of qualifications offered, MANCAT has the greatest variety of provision with courses leading to 18 different qualification types, followed by Wigan and Leigh College which offers 12 different qualifications. The most widely offered qualifications were the AS Level and A2 Level qualifications, each offered by 20 institutions. The AS Level qualification was delivered to a total of 4,848 full-time and 45 part-time students, whilst the A2 Level qualification was delivered to a total of 2,547 full-time and 20 part-time learners. The next most widely offered qualifications were the NVQ Level 3 (delivered by 13 providers to 107 full-time and 823 part-time students), the NVQ Level 4+ (delivered by 12 providers to 23 full-time and 429 part-time students) and a National Certificate (delivered by 13 providers to 473 full-time and 7 part-time students).

¹

For example, records that have been excluded from this section include:

- *Non-externally certificated FE other provision, Level 3, Business, Administration and Law (SSA 15), PW A; and*
- *Unitisation (approved external qualification) Level 3, Business, Administration and Law (SSA 15), PW A*

These were excluded because they are only partial elements of full courses, or because they have not been matched to a qualification type. As such, the use of these figures in the analysis is unnecessary.

Definitions of the qualifications offered are as follows:

Access Course:

The main aim of Access programmes is to prepare adult learners from non-traditional backgrounds and under-represented groups for admission to undergraduate education. Most access courses last between six months and a year.

National Award:

A practical, work-related course, this is the lower level BTEC or equivalent qualification. Learning is conducted through completion of projects and assignments that are based on realistic workplace situations, activities and demands. It is equivalent to one 'A' level.

National Certificate:

A practical, work-related course, this is the mid level BTEC or equivalent qualification. Learning is conducted through completion of projects and assignments that are based on realistic workplace situations, activities and demands. It is equivalent to two 'A' levels.

National Diploma:

A practical, work-related course, this is the higher-level BTEC or equivalent. Learning is conducted through completion of projects and assignments that are based on realistic workplace situations, activities and demands. It is equivalent to three 'A' levels.

NVQ Level 3:

National Vocational Qualifications (NVQs) are work-related qualifications designed for progression to work in specific industries. There are five levels, ranging from Foundation Skills (Level 1) to Chartered, Professional and Senior Management Occupations (Level 5). The first three levels can be studied at 16, but the other two require more experience. NVQ Level 3 is equivalent to two 'A' levels.

NVQ Level 4+:

National Vocational Qualifications (NVQs) are work-related qualifications designed for progression to work in specific industries. There are five levels, ranging from Foundation Skills (Level 1) to Chartered, Professional and Senior Management Occupations (Level 5). The first three levels can be studied at 16, but the other two require more experience.

'A' Level:

Advanced Subsidiary/Advanced Level (AS Level/'A' Level) certificates are offered in a wide variety of subjects, some of which are more vocational in nature. A full 'A' level is made up of six units: three AS units in the first year and a further three units called A2 in the second year. Most students take three or four AS subjects in the first year and carry three on as A2 subjects in the second year to gain full 'A' levels.

AS Level / A2 Level:

Advanced Subsidiary/Advanced Level (AS Level/'A' Level) certificates are offered in a wide variety of subjects, some of which are more vocational in nature. A full 'A' level is made up of six units: three AS units in the first year and a further three units called A2 in the second year. Most students take three or four AS subjects in the first year and carry three on as A2 subjects in the second year to gain full 'A' levels.

Award (Level 3):

A vocational qualification equivalent to NVQ level 3.

Certificate (Level 3):

A vocational qualification equivalent to NVQ level 3.

Certificate (Level 4+):

A vocational qualification equivalent to NVQ level 4 and above.

Diploma (Level 3):

A vocational qualification equivalent to NVQ level 3.

Diploma (Level 4+):

A vocational qualification equivalent to NVQ level 4 and above.

Advanced Certificate:

Designed to give Managers and Supervisors the skills to effectively manage their business through a combination of training and self-study.

Advanced Diploma:

An advanced diploma is equivalent to a HND and counts towards the first two years of a Bachelors degree, or 240 credits.

Advanced Professional Certificate:

The advanced professional certificate is a vocational qualification that is equivalent to the BTEC National Diploma.

Professional Award:

A lower-level vocational qualification designed for those already working within the subject field.

Professional Certificate:

A high-level vocational qualification designed for those already working within the subject field.

Professional Diploma:

A high-level vocational qualification designed for those already working within the subject field and who want to progress to a higher managerial role.

Postgraduate Certificate:

A high-level certificate designed for those working in the subject field.

HNC:

Higher National Certificates (HNCs) normally take two years to complete and are the equivalent to the first year of a bachelor's degree. They are offered in many subject areas and are normally vocationally related.

HND:

Higher National Diplomas (HNDs) take two years to complete and are equivalent to the first two years of a bachelor degree. HND courses are more vocational than degree courses and often contain more practical work than theory. The entry requirements are different to degrees, normally requiring one A level or its equivalent.

BA (Hons):

A BA (Hons) is a primarily academic course, typically three years in length, on subjects in the arts and humanities. Although primarily academic, there is a variable but often minimal vocational element, depending on the subject studied.

Graduateship

Graduateship is a programme undertaken to gain membership of the Chartered Institute of Personnel and Development. It is equivalent to NVQ Level 4.

2.2 Types of WBL qualifications offered in Business, Administration and Law

Figure 2 (overleaf) highlights the level of work-based learning (WBL) in Greater Manchester recorded on the LSC's ILR. WBL enrolments are all part-time and, in the Business, Administration and Law sector, are only NVQ's. 1,925 learners were recorded as having taken WBL courses in Greater Manchester in 2006/07, split between 1,604 level 3 courses and 321 level 4 and above courses.

Non-college institutions provided the largest proportion of the WBL courses recorded on the ILR, accounting for 1,697 enrolments (88.2%). These providers may not constitute all the data available, as some providers train individuals without reporting returns to the local LSC. For example, national providers may train individuals within GM but provide no returns to the GM LSC, instead providing data for the location of their head office, which may be elsewhere.

Economic Solutions had by far the greatest provision of WBL qualifications, with 515 enrolments (26.8% of all WBL enrolments). Kaplan Financial Ltd, with 301 enrolments (15.6%), also constituted a significant proportion of WBL enrolments, whilst Central Sports and Management Training Ltd provided 1 WBL enrolment.

WBL data was unavailable in the 2005/06 year. This means that WBL data is incomparable over time, as opposed to the total FE data which was supplied last year. Any comparisons over time will feature only the FE data.

2.3 Geographical distribution of Business, Administration and Law

Figure 3 (overleaf) shows learner numbers by institution, the level of qualification undertaken and the mode of study.

- There were a total number of 13,647 courses delivered at Level 3 and above in Greater Manchester in 2006/07 of which four-fifths (83.3% or 11,363) were at Level 3.
- The largest providers in terms of number of learners was MANCAT (2,810 enrolments, or 20.6%), followed by Bury College (954 enrolments, or 7.0%) and Aquinas College (903 enrolments, or 6.6%). 12 other colleges had provision of over 400 students in this sector subject area.
- There was more full-time provision than part-time (8,941 full-time courses were delivered at Level 3 and above, or 65.5%).
- However, at Level 4, 5 or higher, almost all provision (2,251 enrolments, or 98.6%) was delivered as part-time.

The four maps overleaf show the geographical spread of provision as described in Figure 3.

- Map 1 shows that the distribution of full-time Level 3 provision is fairly evenly spread across the sub-region;
- Map 2 shows that, for part-time Level 3 provision, there is a particular concentration at MANCAT – although there are smaller amounts of provision spread across the sub-region; and
- Maps 3 and 4 highlight MANCAT's dominance of Level 4 and above provision in the conurbation.

2.4 Change in FE provision between 2005/06 and 2006/07

Figure 4 (overleaf) highlights the change in provision between 2005/06 and 2006/07 of all Business, Administration and Law qualifications provided by institutions in Greater Manchester. The analysis shows that the total provision of these qualifications has decreased between 2005/06 and 2006/07 by -847 (-5.8%). This decrease is due, in large part, to changes in part-time courses, which experienced a decrease of -850 learners (-15.3%) from 5,556 in 2005/06 to 4,706 in 2006/07.

Full-time provision of these qualifications was the most common mode of delivery in 2006/07, having increased marginally (+3 learners) since 2005/06. The difference between full-time and part-time provision has also significantly increased since 2005/06, up from 3,382 learners in 2005/06 to 4,235 learners in 2006/07.

The largest proportional increase in provision between 2005/06 and 2006/07 was with Manchester City Council, which experienced an increase from no provision in 2005/06 to 106 enrolments in 2006/07. This was followed by Ashton-Under-Lyne Sixth Form College, which experienced an increase of +20.3% (+115 learners) from 566 in 2005/06 to 681 in 2006/07.

The largest proportional decreases in provision were experienced at Bury Metropolitan Borough Council, Oldham Metropolitan Borough Council, Rochdale Metropolitan Borough Council and Stockport Metropolitan Borough Council, all of which provided no courses in 2006/07. In addition, Stockport College of Further and Higher Education experienced a decrease of -52.8% (-244 learners) in enrolments.
